MAN O' WAR'S BAY BROTHER

My Play Shows Marked Improvement in Winning Again.

Spanish Maize Races Gamely but Finishes Third—Toodles Pays a Big Price.

HAVRE DE GRACE, Md., April 21.—Soul Mate, one of the two-year-olds which wintered at Benning, was the winner of the opening dash this afternoon when she outfinished Soviet in the final drive, with Gold Mount a bang-up third. Soul Mate and Zoona were coupled as the Ross-Salubria Stable entry. The start, a good one, found Zoona beginning quickly and setting the pace pursued by Illusionist and Soviet, while Gold Mount was knocked back shortly after the start. When entering the stretch Keogh brought Soul Mate up on the outside of the leaders and, finishing resolutely, she held Soviet safe at the end. The latter came with a rush in the stretch and finished fast. Our Tillie furnished several thrills when on her way to the post. She unseated jockey Williams and raced around the barns at the head of the stretch. On being remounted and led back to the starting post she further delayed the start by her fractious behavior. The winner was neglected by the backers, who decided upon Illusionist, and netted a big return for the usual $2 investment.

The Helter Skelter Steeplechase brought an easy victory for J. W. Bean's Peccant over Le Marsouin and Nonus. The race, fashioned for four-year-olds and over, over the short course, brought together a good field and for the first turn of the field gave promise of deveolping into a stirring contest. Transpero went to the front, followed by Peccant and Briganna, with Le Marsouin in close attendance. The latter was taken wide for the first turn of the field. When entering the final mile Transpero and Peccant went to the ninth fence heads apart and Transpero struck the obstacle and unseated Haynes. The rider was knocked down by the flying hoofs of the followers and carried from the track. Peccant drew away into a long lead and never left the result in doubt. Le Marsouin was taken wide throughout by jockey Mergler, but had a wide margin at the finish over Nonus. The latter made a bad landing right after the first fence.

GREATEST SURPRISE OF DAY.

The greatest surprise of the day resulted from the running of the third race, a dash of a mile and seventy yards, in which fourteen maiden three-year-olds and over faced the starter. Toodles, ridden by jockey N. Swart, was an easy winner from Drifting and Archive. The winner paid the largest dividend of the afternoon, namely, $183.70 for the usual $2 investment. The start, a good one, found Toodles away in front and Swart made every post a winning one, his mount being far in front and under restraint at the end. Drifting took second place in a drive from Archive. The latter drew considerable backing and raced forwardly, but could never get to the winner.

The Lexington Stable's My Play, was returned the winner of the Susquehenna Purse, the feature attraction of the card, in a spirited finish from Superlative and J. K. L. Ross' supposed star Spanish Maize. The race was a dash of three-quarters, for three-year-olds, and brought together a splendid and well matched field. Spanish Maize was installed the choice by the backers and his race was promising. The start found the field leaving in close formation, with Bigheart displaying the most speed and pursued by My Play, Superlative and Spanish Maize. This order was maintained for the first half-mile, where Bigheart retired and My Play rushed to the front. After rounding the far turn, Spanish Maize, under severe punishment and racing on the outside, moved up rapidly, and the leaders were forced to feel the sting of the whip. Spanish Maize swerved through the final eighth, but finished gamely and was going fast at the end. The time for the race was very fast, considering that the track had been subject to a constant drizzle throughout the afternoon. My Play, despite his victory earlier in the week found few supporters and a good sized dividend was declared for the usual investment. My Play displayed vast improvement this afternoon over his first race under colors and may do better still.

WINTRY WEATHER AND SHOWERS.

Wintry weather greeted the patrons that journeyed to the track this afternoon and a cold drizzle, which set in previous to the running of the first race, forced them to seek the shelter of the covered stands. The crowd, despite such conditions, was large and well rewarded for its journey. The card which was offered was a good one and well matched fields started in the different races. Favorite backers were again astray and the winners paid large prices. The track was in good condition and, should no more rain fall, will be fast tomorrow.

The colors of J. K. L. Ross were borne to victory for the first time at this meeting when Muttikins was the winner of the Vogue Purse, a dash of a mile and seventy yards, from Dresden and By Jiminy. This was one of the best races of the day and resulted in a spirited finish, in which the winner held the fast coming Dresden safe at the end. The start was delayed several minutes by the fractious behavior of Yashmak and Prelude. The latter reared and fell, narrowly escaping crushing jockey Swart, who fell clear by a matter of inches. He remounted Prelude. Muttikins and By Jiminy were away heads apart and the former took a good lead on the backstretch and was followed by Prelude, with By Jiminy and the others following, in a hard drive that lasted from the head of the stretch to the finish. Muttikins maintained her advantage, while Prelude dropped back and By Jiminy was unable to withstand the rush of Dresden. The winner drew but scant support from the backers.

Trainer M. C. Kelley reported the death of a suckling foal at J. W. Bean's Silver Springs Farm this morning. The youngster was by Meridian—Tan, and a half brother to Tan Son.

G. W. Foreman claimed Kate Brummel from H. Roseacher for $1,989.

Abadane, the W. F. Staton sprinter, has been turned out for the summer and will be taken up next fall.

B. B. Rice's Osgood, which was cut down in the last race yesterday, was destroyed this morning when it was found that he was beyong saving.

J. W. Pangle, before leaving Havana purchased from the C. & D. stable Blue Wrack, Grayssian and Ultimo on private terms. They will be shipped with the remainder of the Pangle string, Ultimata, Little Black Sheep and Caesar, to Canada.

John Fox, a well-known racing man and a great friend of the Dwyer Bros., died at his home in Brooklyn yesterday.

Idolater, one of the J. S. Cosden two-year-olds which was badly cut down in a race the other day, was destroped by Dr. H. J. McCarthy yesterday. The colt was beyond repair.

A. G. Blakely, acting for W. Daniel, has purchased from F. W. Staton the contract on the apprentice J. Merimee.

Steeplechase jockey Blake was suspended for the remainder of the meeting by the stewards for reporting to the scales in an unfit condition to ride. Blake's case will be referred to the National Steeplechase and Hunt Association.

Redstone, programmed to start in the fourth race, hit himself in his stall and was excused by the stewards.

Wm. Murray, prominent in the smaller racing circles at Montreal was a visitor this afternoon.

LATE NEWS FROM LEXINGTON

Racing Commission to Hold Meeting Next Thursday to Grant Licenses.

LEXINGTON, Ky., April 21.—A meeting of the State Racing Commission to consider applications from trainers and jockeys for licenses and to transact other business preliminary to the opening of spring racing in Kentucky at the local course a week from tomorrow will be held next Thursday or Friday.

Sherman Goodpaster, secretary of the Kentucky Jockey Club, came over from Frankfort this morning and was the guest of Mayor T. C. Bradley, resident manager of the local track, in an inspection of the plant, which never looked better than it does at this time.

"There is one other thing to be done to complete the contemplated improvements here," said manager Bradley, "and that is to elevate and terrace the lawn between the grandstand and the paddock, which we expect to have completed through the summer."

J. O. Keene, member of the State Racing Commission and director of the Thoroughbred Horse Association, returned last night from a trip to points in the West. He reports that his three-year-old Llewellyn has gone stale in his training at Louisville since being shipped there from Havana.

Col. E. R. Bradley, owner of Idle Hour Stock Farm, is in the East, but is expected back home in time for the opening of the racing season.

Samuel Ross of Washington, D. C., it was made known today, has purchased a minor interest with Messrs. Barbee, Carrick and Stone in the ownership of the good stallion Sweep.

The fourth foal to arrive at W. J. Salmon's farm this season is a bay filly by Omar Khayyam—Beacon, by Wrack. This is the first foal to come since Kenneth Kane became manager of the establishment.

Two recent foals are the property of Dr. James C. Carrick, one a bay filly by Hourless—Ethelberta, by Ethelbert, and the other a bay filly by Sweep—Flying Start, by St. Shoot.

ARCTIC KING TO THE FORE

Runs Fast Race to Beat Doctor Corbett—Four Favorites Successful.

TIJUANA, Mexico, April 21.—A good horse is Arctic King. Yesterday he demonstrated his ability to carry weight and run fast when he conceded considerable poundage to a good band of sprinters and took first honors in the three-quarters handicap, the fifth and feature race of the day.

By no means was his victory a hollow one, for he was forced to a terrific drive to withstand the menacing challenge of Doctor Corbett. His race from a time standpoint was a top-notch performance, for he ran the three-quarters in 1:13⅗, which is considered a fast race over the Tijuana course.

Despite the fact that the unfashionable jockey F. J. Baker had the mount on Arctic King, he ruled a heavily-backed favorite. Baker rode him wisely. He saved his horse behind Fireplace, which acted as the pacemaker, and did not make a move with him until after entering the homestretch. At this point he sent the son of J. F. Crowley to the front and it then appeared as if all was over but the shouting. However, Doctor Corbett had to be reckoned with, as the big sprinter was finishing with the courage of a lion. When Baker, astride of Arctic King, perceived the rushing menace at his saddle girth he showed the coolness of a veteran reinsman by riding a finish which had a tower of stretch behind it. With hands and heels he urged Arctic King onward and the net result was that the Bishop bread-winner outfinished his rival by a neck.

Continued ideal weather and the fact that the meeting is fast nearing its close brought out a crowd of holiday proportions. Those in attendance were treated to a brand of sport which was exciting and satisfying.

Four favorites were successful and the racing was formful and good to see. The people held their breath in anxiety in the sixth race, a dash of five and a half furlongs. In this jockey H. Long, the promising midget rider, was thrown heavily to the ground while astride the filly Aryanna, her saddle having turned completely under her. The popular lad luckily escaped with a slightly bruised leg and a bad shaking up, but upon returning to the jockeys' quarters quickly regained his composure.

Three jockeys divided the saddle honors of the day, these being the apprentice riders T. Wilson, M. Fator and C. Ralls. Each rode two winners.

The good three-year-old Wedding Prince, which won the Tijuana Derby for Mrs. G. Abbott, was unsexed this morning. He, along with Breeze, Olympiad and Double Van, will be campaigned at the coming Reno meeting.

QUIET DAY AT LOUISVILLE

LOUISVILLE, Ky., April 21.—Light showers early this morning failed to affect track conditions at either Churchill Downs or Douglas Park, but they caused trainers to hurry through with their work in an effort to beat an apparently impending rain. Fortunately it lasted only a few minutes.

A large number of horses were out for exercise at the Downs, but Douglas Park has presented a rather deserted appearance since the departure of the Kay Spence and Williams Brothers strings for Lexington.

At the present time there are only two horses which are considered certain starters in the Kentucky Derby quartered locally, Deadlock and Chatterton. This is the first time that this state of affairs has existed here in years.

Julius Reeder, assistant to racing secretary W. H. Shelley on the Kentucky tracks, arrived this morning from his home in New Orleans. He will begin his duties at Lexington tomorrow. Judge Charles F. Price will depart for Lexington on next Thursday. He announced that the four stewards of the Jockey Club will convene in that city to pass upon the applications for trainers' and jockeys' licenses before they go to the Kentucky State Racing Commission. The turf governing body of the Blue Grass state will be guided by their recommendations.

NOTED BREEDERS IMPROVE

LEXINGTON, Ky., April 21.—Good news was received this morning about the prospects for recovery of three of Kentucky's distinguished breeders of thoroughbred horses, who have been prostrate. Major Thomas C. McDowell, master of Ashland Stud and member of the State Racing Commission, was able to be downstairs in his home and to see members of his family after a severe attack of double pneumonia. Captain Breckenridge Viley still is in bed at his Stonewall Stud in Woodford County, but is better. His is an ailment of the heart. Charles W. Moore, owner of Mere Hill Stud, the home of McGee, sire of Exterminator and Firebrand, who has been scik for several weeks and who afew days ago underwent an operation at a hospital in Indianapolis for an ailment of the bladder, is better. Members of his family stated that the operation was successful and a rapid recovery is expected.

GLOAMING AGAIN SUPREME

Great Australian Horse Reverses Record Defeat by Thespian.

Lowers Auckland Track Record—Stake Values Increase—Native Black Men Race Illegally.

SYDNEY, N. S. W., Australia, March 10.—The great gelding Gloaming was never racing better than at present. He has already reached the $125,000 winning mark and may displace both Eurythmic and Carbine during the coming brilliant racing which is inevitable.

If absolute reliance could be attached to the time test it would seem as if Gloaming is better now at a mile and a half than at any previous time in his career. And it is also probable that on the concluding day of the Auckland Cup meeting he was a little better than when Thespian beat him in the Islington Plate. The decisive fashion in which the latter downed him, in conjunction with the record time, disposed of any suggestion of a fluke in that race, but Gloaming's inability to respond when tackled by the three-year-old pointed to his preparation scarcely being strong enough for the stiff test to which he was, perhaps, somewhat unexpectedly subjected.

In the race for the Auckland Plate, Gloaming performed brilliantly. He followed Thespian's pace and ran away from him at will in the stretch, cutting the mile and a half track record to 2:32⅗. Stout old Sasanof was over three lengths away in second place, each carrying 120 pounds. In New Zealand, in standard weight for age races, geldings do not receive any allowance. Of course, it is only a matter of conjecture how much Gloaming could have knocked off that 2:32⅗ if it had been necessary, but his previous best at a mile and a half was his 2:33⅕ in the Australian Jockey Club Derby.

Last week for the second year in succession Gloaming won the Egmont Stakes, three-quarters mile, and the Hawera Stakes, one mile, at the Egmont meeting. Thespian was second to him in each race.

HOW RACING VALUES RISE.

The Australian Jockey Club's autumn program for the Randwick course should be entirely to the liking of owners, the added money for twenty-four races totaling $200,000, and in addition the Sydney Cup carries a trophy of $1,000. The time is getting close when there will be no race with less than $5,000 added at an Australian Jockey Club spring or autumn meeting. At this year's autumn meeting each flat race on the opening day carries $5,000 or more, and for the twenty flat races there are only six in which the stake is less than $5,000. Each of the four jumping races has $3,750 attached, and that is the smallest sum given for any event.

The lowest prize money for any weight-for-age race is $10,000, whereas at the Sydney Cup meeting twenty years ago—and that does not seem so far back—the richest was the Australian Jockey Club Plate of $3,000. The All-aged Stakes, now $15,000, had $2,250 attached to it, and the total added money for the meeting was $49,000. The sweepstakes then were also much heavier, being not less than $25 even for a $1,000 race. Now in the minor flat races the sweepstakes is only $50 for $5,000, and $10 for $3,750 jumping races against $25 for those of $1,250 in 1902.

BLACK MEN'S ILLEGAL RACING.

The native and black Maoris love racing and evidently do not mind taking a little risk in indulging their sporting proclivities. A recent surprise visit was paid by the police of the Tauranga district to Matakana Island during the New Year, as a result of information received. On arrival they found a race meeting in progress, conducted by some of the leading natives of the district, and in contravention of the Racing Act. The meeting was patronized by over a thousand natives and Europeans from adjacent districts. The police nipped the meeting in the bud at the close of the second event on the program. The names of the officials, practically all natives, were noted by the police with a view to taking proceedings against them under the law. All present at such gatherings are liable to prosecution for participating in an unregistered race meeting. The horses and owners taking part at the meeting are liable to disqualification for life from any registered race meeting. The races were being conducted on the lines of a registered meeting and the grounds were decorated with the usual race course bunting. It is alleged that an improvised totalizator had also been on the ground, but it had been spirited away before the police could discover it.

Dick Deadeye was under restraint. Missionary worked well under restraint. Mark West should break out of the maiden class at this meeting. Exodus and Broomster worked between races and were not fully extended. Valor appeared to be doing all he could. Olympus only cantered.

Went to post at 2:49. At post 2 minutes. Start good and slow. Won easily; second and third driving. DELLA WELTA, after being a distant follower for the first half, moved up steadily while rounding the last turn and, rushing into the lead when a sixteenth out, easily held ALAZON safe at the end.
